

**Defect ID:** 101

**Title:** User is able to remove assignee even though warning notification gets displayed.

**Reported by:** Ajith Lal

**Defect Priority:** High

**Defect Severity:** Major

**Description:**

On the Task overview, when user clicks on the assignee avatar icon, the edit assignee window appears and user is able to remove the assignee from this window. Despite this error notification is also displayed. Although when user reloads the page, the assignee is reassigned.

**Steps to Reproduce:**

1. User login the application
2. Navigate to Topic Module
3. Open side drawer and access Tasks Section
4. Open the task
5. Click on the assignee avatar
6. Remove assignee from Edit Responsible User List
7. Observe that notification : 'Only the Creator is allowed to change assigned users'
8. Observe that the assignee on the avatar is removed.

**Expected Result:**

Assignee should not be removed

**Actual Result:**

User is able to remove the assignee
