

**Defect ID:** 103

**Title:** Task updated toast message displayed without any modifications on task.

**Reported by:** Ajith Lal

**Defect Priority:** Medium

**Defect Severity:** Minor

**Description:**

The notification 'Task updated' is found displayed when user simply opens the edit view and save button is clicked (not sure this enabling of save button itself is a bug)

**Steps to Reproduce:**

1. User login the application
2. Navigate to Topic Module
3. Choose a task from the side drawer and open the edit view
4. Click Save . Observe the notification appeared

**Expected Result:**

Task Update notification should only be appeared when there is real update on values

**Actual Result:**

Task updated toast message displayed without any modifications on task.
